University Breadth Requirements

All students must fulfill university breadth requirements in the areas of Creative Arts and Humanities, History and Cultural Change, Social and Behavioral Sciences and Mathematics, Natural Sciences and Technology. ETE students take courses that automatically satisfy all of the categories except Creative Arts and Humanities. Students can fulfill this category by selecting a fine arts course or literature course in this category or by taking EDUC 240. Students do not necessarily need to take any courses beyond the program requirements to fulfill this category. For further information on the courses that satisfy the breadth requirements see:
