University Breadth Requirements

All students must fulfill university breadth requirements in the areas of Creative Arts and Humanities, History and Cultural Change, Social and Behavioral Sciences and Mathematics, Natural Sciences and Technology. ETE students take courses that automatically satisfy all of the categories except Creative Arts and Humanities. Students can fulfill this category by selecting a course that counts toward their program, such as a fine arts course or literature course. Students do not need to take an extra course to fulfill this category. For further information on the courses that satisfy the breadth requirements, please see:
