

## **ELEMENTARY TEACHER EDUCATION COURSE REQUIREMENTS**

Elementary Education and Special Education, Middle School Education, or English as a Second Language

The following Elementary Teacher Education (ETE) course requirements are for students who enter the University of Delaware during the 2014-2015 school year. All ETE students take the General Studies and Professional Studies courses and complete the courses in one of the following six concentration areas. Students must have a C- or better in all courses. The total number of credits for this major that leads to a Bachelor of Science in Education (BSED) is 123 credits.

### **GENERAL STUDIES COURSES**

#### **\* University Breadth Requirements**

All students must fulfill the University Breadth Requirements in the four areas of Creative Arts and Humanities; History and Cultural Change; Social and Behavioral Sciences; and Mathematics, Natural Sciences and Technology. ETE students take courses that automatically satisfy all of the categories except Creative Arts and Humanities. They can satisfy this category by taking a course that counts toward their program and the Creative Arts and Humanities category simultaneously (e.g., MUED 391, ENGL 280); they do not need to take an extra course beyond the ETE program requirements to fulfill this University Breadth Requirement. The courses that satisfy the University Breadth Requirements are listed online at
