Study Away – Winter 2015
Lewes, Delaware
Course Descriptions

EDUC 390 – Classroom Management for Social and Emotional Learning
January 5th – 16th
This course focuses on the creation of positive learning environments by fostering children’s social and emotional development, infusing behavior supports in academic instruction, enhancing motivation for learning, and establishing well organized and respectful classrooms. Emphasis is placed on learning core concepts and practical research-based strategies.

We will partner with Richard A. Shields Elementary School in Lewes, Delaware to explore classroom management and school-wide discipline in action with teachers, students, and administrators. This course is scheduled each day between 8:00-4:00 and will include course time and field work in the school. A daily schedule will be provided prior to the start of class.

EDUC 451 – Education Assessment for Classroom Teachers
January 19th – 30th
This course explores principles and methods for construction and evaluation of student learning assessments, including knowledge, understanding, and skills. Presents methods to enhance teacher inquiry into student learning. We will consider the strengths and limitations of each method in regard to informing teachers’ judgments. The implications of assessment policy will be discussed.

We will partner with Richard A. Shields Elementary School in Lewes, Delaware to explore assessment topics. This course is scheduled each day between 8:00-4:00 and will include course time and field work in the schools.

Study Away
The opportunity to study away from the Newark campus in an intensive two-week course with a field experience. Elementary Teacher Education sophomores and juniors can lighten their course load in future semesters by taking one or both of these courses.
