Introduction

This document is intended to guide School of Education faculty and doctoral students through the departmental and college doctoral defense and document submission procedures. Faculty and students should refer to the [Office of the Graduate and Professional Education](#) for all university-wide policies. It is the student's responsibility to carefully follow all procedures.

If you have questions about any of the below procedures, please contact [Christina Johnston](#), Assistant Dean of Graduate Services, or [David Hannah](#), Academic Support Coordinator, in the College of Education and Human Development. Complete contact information is provided at the end of this document.

Committee Requirements

Prior to your proposal defense, please be sure that you have a properly constituted dissertation or executive leadership portfolio (ELP) committee. All doctoral committees must include **three School of Education faculty members and one external member**.

External members may be faculty members in other departments at the University of Delaware or qualified individuals outside of the university. Please consult with your committee chair in preparing your committee.

Failure to have three School of Education faculty members and one outside member in the committee will result in an improperly constituted committee. A student cannot defend his or her proposal or final defense with an improper committee.

It is the student's responsibility to ensure that he or she has a properly constituted committee. If you have any questions, please contact [David Hannah](#).

Proposal Defense

Defense Date

Set a date and time for the proposal defense with your committee members and plan to submit the proposal to each of your committee members **at least one month prior** to the scheduled defense. Contact [David Hannah](#) **at least one month in advance** so that can reserve a room.

Doctoral Degree Candidacy Recommendation Form

Contact [David Hannah](#) **at least one month in advance** of your proposal date so that he may prepare the [Doctoral Degree Candidacy Recommendation Form](#). Please be prepared to give him the full names of your committee members.

David Hannah will send the above paperwork to [Jessica Henderson](#), Writer in the School of Education. On the day of your proposal defense, you may pick up your paperwork from Jessica in 113 Willard Hall Education Building. After your proposal defense, give your Doctoral Degree Candidacy Form to your committee chair. Committee chairs should return the signed form to Jessica Henderson in 113 Willard Hall.

Final Defense

Application for Advanced Degree

In order to graduate, students must be registered for a course or be in doctoral sustaining credit during the term in which they will officially graduate. At the beginning of the graduation term, students must also complete and submit an [Application for Advanced Degree](#).

The application must be signed by the student's advisor, Christina Johnston, and the department chair. Students should ask their advisors to first sign the application and then deliver the document to David Hannah. David Hannah will assist with the department chair's signature and deliver the document to the Office of Graduate and Professional Education.

A payment of \$95 for doctoral candidates is required when submitting the application. This fee can be paid directly at the Cashier's Office or students can attach a check to their application form. Contact [David Hannah](#) with any questions.

Please see the [Office of Graduate and Professional Education](#) or the Ph.D. and Ed.D. Graduate Timeline at the end of this document for each semester's deadlines.

Defense Date

Final defenses should be set far in advance of the graduation date. Generally, the final defense should be held **within the first month of your final semester** of graduate school. Defenses must be set at this early date to accommodate the non-negotiable deadlines for submission of the final document to the department, dean, and Office of Graduate and Professional Studies.

Once you have set a date and time for your defense with your committee members, contact [David Hannah](#) at least one month in advance so that can reserve a room. Please submit your final dissertation or ELP to your committee members at least two weeks in advance of this defense date.

Please see the Ph.D. and Ed.D. Graduate Timeline at the end of this document for each semester's deadlines.

Certification of Doctoral Dissertation Defense

Contact [David Hannah](#) **at least one month in advance** of your defense so that he may prepare the [Certification of Doctoral Dissertation Defense](#) form. This form applies to both Ph.D. and Ed.D. students. Please be prepared to give David the full names of your committee members.

After your defense, committee chairs should return the signed form to Jessica Henderson in 113 Willard Hall.

Signature Pages and Front Matter

In advance of your defense, please prepare **three hard copies** of your dissertation/ELP **title page, title and committee signature pages, and abstract** that meet the following requirements. Incorrect title and signature pages will not be accepted and may delay your graduation process.

- The dissertation/ELP should precisely follow the Office of Graduate and Professional Education's [Thesis Manual](#). Title pages, signature pages, and front matter should strictly follow these guidelines.
- Please use the [Title Signature Page Template](#) and the [Committee Signature Page Template](#) in preparing these pages
- Please confirm the names and titles of all university administrators before your defense.
- **Three copies** of this front matter should be printed on **bond paper**, available for purchase at the [University of Delaware bookstore](#).

After your defense, committee chairs should return the signed committee signature pages, along with the unsigned title pages and remaining front matter, to Jessica Henderson in 113 Willard Hall.

If your committee requires significant revisions to your dissertation/ELP and they are not prepared to sign your defense form and signature pages, the unsigned documents should be returned to Jessica Henderson in 113 Willard Hall. Committee chairs should notify Jessica when they are ready to sign these forms.

Submission of Dissertation/ELP to Department Chair

Students should make any requested corrections or revisions to their dissertation/EPP based on the oral defense and submit the revision to David Hannah for the department chair's review.

- Send an MS Word document to [David Hannah](#). Large files and appendix material may be sent through the [UD Dropbox Service](#).
- Suggested revisions from the chair will be sent directly to David Hannah and to the student via email.

Students should make any requested corrections or revisions based on the department chair's review and submit the revision in MS Word form to David Hannah.

If the chair is satisfied with the revisions, he or she will sign your signature pages and deliver all documents to David Hannah for review by the dean of the College of Education and Human Development.

Please see the Ph.D. and Ed.D. Graduate Timeline at the end of this document for each semester's deadlines. These deadlines are non-negotiable, and missed deadlines will result in delayed graduation.

Submission of Dissertation/ELP to Dean

After the chair's review, the dean of the College of Education and Human Development will review your document and return corrections or revisions to the student via email.

Students should make any requested corrections or revisions based on the deans' review and submit the revision in MS Word form to David Hannah. If the dean is satisfied with the revisions, he or she will sign your signature pages and deliver all documents to the Office of Graduate and Professional Education.

Please see the Ph.D. and Ed.D. Graduate Timeline at the end of this document for each semester's submission deadlines. These deadlines are non-negotiable, and missed deadlines will result in delayed graduation.

Submission to Office of Graduate and Professional Education

After the dean reviews your dissertation or ELP, David Hannah will ask you to schedule a meeting with [Mary Martin](#), who officially clears students to graduate. She will assist you with final submission of your document and answer any remaining questions.

The deadline for submission of the final document to the Office of Graduate and Professional Education is several weeks before your graduation date. Please see the Office of Graduate and Professional Education for each semester's due dates or the Ph.D. and Ed.D. Graduate Timeline at the end of this document.
