Introduction
This document is intended to guide School of Education (SOE) faculty and doctoral students through the departmental and college doctoral defense and document submission procedures, also available online at the following webpage: www.education.udel.edu/resources/doctoral-defense-and-graduation-procedures/.

Faculty and students should refer to the UD Graduate College for all university-wide policies. It is the student’s responsibility to carefully follow all procedures.

If you have questions about any of the below procedures, please contact Christina Johnston, Assistant Dean of Graduate Services, or Courtney O’Brien, Academic Program Coordinator, in the College of Education and Human Development. Complete contact information is provided at the end of this document.

Committee Requirements
Prior to your proposal defense, please be sure that you have a properly constituted dissertation or education leadership portfolio (ELP) committee. All doctoral committees must include three School of Education faculty members and one external member.

External members may be faculty members in other departments at the University of Delaware or qualified individuals outside of the university. Please consult with your committee chair in preparing your committee.

Failure to have three School of Education faculty members and one outside member in the committee will result in an improperly constituted committee. A student cannot defend his or her proposal or final defense with an improper committee.

It is the student’s responsibility to ensure that he or she has a properly constituted committee. If you have any questions, please contact Courtney O’Brien.

Proposal Defense
Defense Date
Set a date and time for the proposal defense with your committee members and plan to submit the proposal to each of your committee members at least one month prior to the scheduled defense.

Contact Courtney O’Brien at least one month in advance to reserve a room if your defense is being held in person.
Recommendation for Candidacy Form
Contact Courtney O’Brian at least one month in advance of your proposal date so that she may prepare the Recommendation for Candidacy Form. Please be prepared to give the full names of your committee members.

Courtney O’Brian will email the above forms to the SOE Director.

After your proposal defense, please return the signed form to Courtney O’Brian via email.

Final Defense
Application for Advanced Degree
In order to graduate, students must be registered for a course or be in doctoral sustaining credit during the term in which they will officially graduate. At the beginning of the graduation term, students must also complete and submit an Application for Advanced Degree.

The application must be signed by the student’s advisor, Christina Johnston, and the department chair. Students should ask their advisors to first sign the application and then email the document to Courtney O’Brian. The SOE staff will assist with the department chair’s signature and send the document to the dean’s office for Christina Johnston’s signature.

A payment of $95 for doctoral candidates is required when submitting the application. Use the form at commerce.cashnet.com/UD-GPE to pay your degree application fee by online check (ACH). Contact Courtney O’Brian with any questions.

Please see the Graduate College website or the PhD and EdD Graduate Timeline at the end of this document for each semester’s deadlines.

Defense Date
Final defenses should be set far in advance of the graduation date. Generally, the final defense should be held within the first month of your final semester of graduate school. Defenses must be set at this early date to accommodate the non-negotiable deadlines for submission of the final document to the department, dean, and Graduate College.
Once you have set a date and time for your defense with your committee members, contact Courtney O’Brian at least one month in advance so that she can reserve a room if the defense is being held in person.

Please submit your final dissertation or ELP to your committee members at least two weeks in advance of this defense date.

Please see the Ph.D. and Ed.D. Graduate Timeline at the end of this document for each semester’s deadlines.

Certification of Doctoral Dissertation Defense
Contact Courtney O’Brian at least one month in advance of your defense so that she may prepare the Certification of Doctoral Dissertation Defense form. This form applies to both PhD and EdD students. Please be prepared to give the full names of your committee members.

After your defense, committee chairs should email the signed form to Courtney O’Brian.

Signature Pages and Front Matter
After preparing these pages, please email a copy of your title page, administrative signature page, committee signature page, and abstract to your committee or bring a copy to be signed in-person at your defense.

These pages should meet the following requirements. Incorrect title and signature pages will not be accepted and may delay your graduation process.

- The dissertation/ELP should precisely follow the Graduate College’s Thesis/Dissertation Manual. Title pages, signature pages, and front matter should strictly follow these guidelines.
- Please confirm the names and titles of all university administrators before your defense.

After your defense, committee chairs should email the signed committee signature pages, along with the unsigned title pages, to Courtney O’Brian.

If your committee requires significant revisions to your dissertation/ELP and they are not prepared to sign your defense form and signature pages, please notify Courtney O’Brian and provide an estimated timeline for completion.
Submission of Dissertation/ELP to Department Chair

Students should make any requested corrections or revisions to their dissertation/ELP based on the oral defense and submit the revision to the department chair for review.

Students should then make any requested corrections or revisions based on the department chair’s review and submit the revision in MS Word and PDF formats to Courtney O’Brian.

If the chair is satisfied with the revisions, he or she will sign your signature pages and send all documents to Courtney O’Brian for review by the dean of the College of Education and Human Development.

Please see the PhD and EdD Graduate Timeline at the end of this document for each semester’s deadlines. These deadlines are non-negotiable, and missed deadlines will result in delayed graduation.

Submission of Dissertation/ELP to Dean

After the chair’s review, the dean of the College of Education and Human Development will review your document and return corrections or revisions to the student via email.

Students should make any requested corrections or revisions based on the deans’ review and submit the revision in MS Word and PDF formats to Courtney O’Brian. If the dean is satisfied with the revisions, he or she will sign your signature pages and deliver all documents to the Graduate College.

Please see the PhD and EdD Graduate Timeline at the end of this document for each semester’s submission deadlines. These deadlines are non-negotiable, and missed deadlines will result in delayed graduation.

Submission to Graduate College

After the dean reviews your dissertation or ELP, Courtney O’Brian will ask you to reach out to Mary Martin, who officially clears students to graduate. She will assist you with final submission of your document and answer any remaining questions.

The deadline for submission of the final document to the Graduate College is several weeks before your graduation date. Please see the Graduate College website for each semester’s due dates or the PhD and EdD Graduate Timeline at the end of this document.
